

2008 WINN-DIXIE MAIN AISLE SHOPPING GUIDE PREPARED BY STAR-K KOSHER CERTIFICATION

GUIDELINES PLEASE READ CAREFULLY

- Products are Kosher for Passover only when the indicated conditions are met. Use the following key:

☆P Product is certified for Passover **only when bearing** the ☆P symbol or ☆ Kosher for Passover symbol/sign/label.

☆(NPSR) Product is certified for Passover when bearing the ☆ symbol. No additional Kosher for Passover statement or "P" is necessary.

☆(NSR) Product is certified for Passover by the Star-K. No Star-K symbol is required.

KFP Kosher for Passover or "P" required next to kosher certification symbol.

NPSR Product is certified for Passover when bearing kosher symbol of the certifying agency. No additional Kosher for Passover statement or "P" is necessary.

- Packaged dairy products certified by Star-K are Cholov Yisroel (CY).
- Products certified Kosher for Passover by the Star-K do not use any ingredients derived from kitniyos (including kitniyos shenishtanu).
- Agricultural products listed as being acceptable without certification do not require a hechsher when grown in chutz l'aretz (outside the land of Israel). However, these products must have a reliable certification when coming from Israel.
- Various products that are unfit for canine consumption may, halachically, be used on Pesach even if they contain chometz, though some practice stringency. As indicated below, all brands of such products are approved for use on Pesach. For a further discussion regarding this issue, see page 47 section IV.
- Note: Quixtar homecare products listed in this guide are approved for Passover only when distributed in North America.

MATZOH, OAT
